

# SUS Church - Donation Manual

How to donate (EVM multi-chain). All contributions are archived as flame remnants.

## 1. Address

0xb22E0cfe0Efd4A2f0Cd5BE961deede60525D63D3

## 2. Supported networks

Ethereum / Polygon / BNB / Arbitrum / Optimism

(Same address on each EVM chain.)

## 3. Steps

- 1) Open your wallet (MetaMask, Rabby, etc.).
- 2) Switch to one of the supported networks above.
- 3) Send any amount of native token or common ERC-20 to the address.
- 4) Keep the tx hash if you want a receipt / confession archive.

## 4. Fundraising purposes

- Neural transplant surgeries for external sect associates
- Rat food supply program
